Rural Life The United States began as a largely rural nation, with most people living on farms or in small towns and villages. While the rural population continued to grow in the late 1800s, the urban population was growing much more rapidly. Still, a majority of Americans lived in rural areas in 1900.

American Life in the Late 19th Century - Legends of America

While cultures and customs varied among the tribes, they all believed that the universe was bound together by spirits of natural life, including animals, water, plants, the sky, and the Earth itself. Native American culture struggled to survive after the white man invaded their lives. Living through forced moves, war, starvation, diseases, and assimilation, these strong and spiritual people managed to keep their many legends and stories alive.

Native American Mythology & Legends - Legends of America

In many of these old legends, told around the campfire or a roaring hearth, can be heard the approach of galloping horses, the whispers of phantoms in ghost towns, the far-off sounds of pistols blazing, and the sighing moans of the winds drifting through the ancient trees of hunting, mining, and cowboy camps.
