Got email to schedule the phone interview. Talked about my research and life experience and working visa status over the phone. After 2 month, got a chance to onsite. Quite normal interview process, 40 mins talk about my research, and followed up by one on one talk to some senior chemist and directors.

Johnson & Johnson Interview Questions | Glassdoor

In this interview with McKinsey's Deepak Mahadevan, ING Netherlands chief information officer Peter Jacobs and Bart Schlatmann, who, until recently, was the chief operating officer of ING Netherlands, explain why the bank needed to change, how it manages without the old reporting lines, and how it measures the impact of its efforts.

ING's agile transformation | McKinsey

If you've seen the Case Interview 101 video, you'd know that a case format falls somewhere on a spectrum where the two ends represent two extremes. On one end we have the "candidate-led" case in which the whole integrated process is more important. The other end is the "interviewer-led" case, in which interviewers will throw at you multiple questions in a somewhat random fashion.

Consulting Case Interview Questions - Management ...

Using proven qualitative techniques, data collected from interviews were analyzed in two phases: a within-case analysis and a cross-case synthesis. Data analysis included use of NVivo 10, a qualitative analysis software tool, which assisted with organization, deconstruction (coding), manipulation, and storage of the data.

Electronic Health Record Use a Bitter Pill for Many Physicians

Apple Inc. v. Samsung Electronic Co., Ltd. was the first of a series of ongoing lawsuits between Apple Inc. and Samsung Electronics regarding the design of smartphones and tablet computers; between them, the companies made more than half of smartphones sold worldwide as of July 2012. In the spring of 2011, Apple began litigating against Samsung in patent infringement suits, while Apple and Motorola Mobility were already engaged in a patent war on several fronts. Apple's multinational litigation
