How to Read A Man's Body Language | HuffPost

A more subtle clue to look for if you're trying to read a man's body language is to take note of how he sits when he's next to you — particularly how he crosses his legs. "If a man crosses his legs in a way that turns his torso and upper body away from you, this could be a sign that he isn't interested," said Bennett.

How to read male body language - TheList.com

In the example above there are man pages called 'mkdir' in both sections (1) and (2v). If unspecified, man will give you the first manpage it finds. The -f option will show you all the available man pages for a given name. The same effect can be achieved by using the command `whatis` instead of `man %whatis mkdir`.
